Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

1389 '99 APR 28 10:10

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I rely on Madison Pharmacy Assoc. to receive my compounded prescription and it is shipped to me from Wisconsin to Indiana. If I could not receive this medication, it would not be possible for me to live normally throughout the month. This was a "last resort" that my gynecologist tried for me to alleviate depression, sleeplessness and anxiety. Please don't let MOU be adopted to take away my choice for my medication.
